ABOUT THE INSTITUTE

The institute was established in the year 1876. Along with services rendering to the population from NE region and nearby states and countries, the institute runs numbers of PG, Ph.D. and certificate courses in Mental health for human resources development. Also the institute focuses on mental health research for evidence based care.

ABOUT THE DEPARTMENT

The department started in the year 1998 for enhancing professional training and thereby augment manpower resources in the field of Psychiatric Nursing. The department is presently running three courses, i.e. Diploma in Psychiatric Nursing, M.Sc. Nursing (Psychiatric Nursing) and Ph.D. in Psychiatric Nursing.

LGB REGIONAL INSTITUTE OF MENTAL HEALTH, TEZPUR DEPT. OF PSYCHIATRIC NURSING

WORKSHOP ON
“FROM THEORY TO PRACTICE:
MASTERING OBJECTIVE
STRUCTURED CLINICAL
EXAMINATION (OSCE) IN
PSYCHIATRIC NURSING”

DATE: 31ST AUGUST 2026
TIME: 8.30AM - 5.30PM
VENUE: 6TH FLOOR SEMINAR
HALL, ACADEMIC BUILDING
CREDIT POINTS : 2

NEED FOR THE WORKSHOP

The Objective Structured Clinical Examination (OSCE) would significantly help the nursing educators to equip themselves with the skills to design effective, objective assessments and provide constructive feedback for the students in this era of competency-based education. This workshop can guide educators in standardizing assessments, minimizing bias and aligning evaluations with curricular objectives in psychiatric nursing. It will benefit students by providing them with clear, constructive feedback that enhances their clinical competence and prepares them for real-world settings. This workshop aims to empower nursing educators with the knowledge, skills and resources required to design, implement, and evaluate effective OSCEs, improving the overall quality of psychiatric nursing and producing a skilled nursing workforce.

OBJECTIVES

1. Understand the concept, principles and significance of OSCE in nursing education.
2. Identify and explore the essential components of OSCE.
3. Demonstrate strategies for implementing OSCE in psychiatric nursing.
4. Identify the learning needs of students by using OSCE method.
5. Address common challenges faced during the design and implementation of OSCE and identify solutions and strategies for overcoming these challenges.
6. Conduct formative and summative OSCE assessments with ensured consistency, objectivity and accuracy in scoring.

PROGRAM SCHEDULE

Time	Session/Activity	Resource Person
8:30 – 9:00 am	Registration of Participants	
9:00 – 9:30 am	Breakfast	
9:30 – 9:45 am	Pre-Test	
9:45 - 10:00 am	Inaugural Session	
10:00 –11:00 am	Introduction to OSCE, principles and significance	Dr. P. Vadivukkarasi Ramanadin
11:00 – 12 noon	Components of OSCE (Stations, Checklists, Standardized Patients, Scoring)	Dr. P. Vadivukkarasi Ramanadin
12:00 – 1:00 pm	Role of OSCE in Assessing Clinical Competence and Professional Skills	Prof. Nukshijungla Ao
1:00 – 1:30 pm	Lunch Break	
1:30 – 2:30 pm	Challenges and Solutions in Designing and Conducting OSCE	Prof. Nukshijungla Ao
2:30 – 3:30 pm	Demonstration of OSCE Station Design, Checklist Preparation, and Scoring	Dr. P. Vadivukkarasi Ramanadin
3:30 – 4:30 pm	Group Activity and Discussion: Development of a Sample OSCE Station	Prof. Nukshijungla Ao
4:30 – 5:00 pm	Post-Test and Participant Feedback	
5:00 – 5:30 pm	Valedictory Session, Certificate Distribution and Vote of Thanks
